12-BP-POC - 12 GAUGE BARRICADE PENETRATOR - OC POWDER

DESCRIPTION

Our 12-BP-POC 12 Gauge Barricade Penetrator Round is designed to be fired through windows or thin skinned doors and releases a cloud of OC "Pepper" irritant powder on impact. The projectile is finned to provide accuracy out to 20 meters. Upon impact with the window, the nose section of the projectile breaks away, allowing the projectile to release its irritant agent as it enters the room or vehicle. This round can be very effective in disabling subjects who have locked themselves in vehicles or barricaded themselves in rooms.

Our 12 gauge rounds are loaded in high quality transparent shell casings to allow viewing of the shell contents. For best results they should be fired from standard improved cylinder bore 12 gauge barrels.

SPECIFICATIONS

Type	Projectile, Barricade Penetrating
Caliber:	12 Gauge
Projectile	Fin Stabilized Barricade Penetrator
Projectile Size	18 mm Dia., 48 mm L
Discharge	Dry Powder
Discharge Time	Instantaneous on Impact
Active Agent	OC "Pepper" Powder
Net Irritant Agent	1.25 grams
Length Overall	64 mm
Shell Case	Clear Plastic / Brass
Overall Weight	15 grams
Effective Range	20 meters
Launched With	12 Gauge Shotgun

SHIPPING INFORMATION

UN Number	UN 0301
Shipping Name	Ammunition, Tear-Producing
Hazard Class	1.4G (6.1, 8)
Inner Package	5 Cartridges Per Box, in Sealed Bag
Outer Package	250 Cartridges (in 50 Boxes of 5)
Packaging	Fiberboard Box, 4G UN/DoT Approved

WARNING

Do not fire directly at personnel or serious injury or death may occur
