## 12-FB - 12 GAUGE DISTRACTION ROUND - FLASH BANG

### DESCRIPTION

Our 12-FB 12 Gauge Distraction Round is designed to be fired over the heads of subjects for crowd control or civil unrest situations. It is also effective in certain tactical situations. This round fires a projectile that detonates with a flash bang effect at a range of approximately 90 meters (we can provide cartridges that detonate at customer specified ranges). These rounds should not be fired directly at subjects.

Our 12 gauge rounds are loaded in high quality transparent shell casings to allow viewing of the shell contents. For best results they should be fired from standard improved cylinder bore 12 gauge barrels.

### SPECIFICATIONS

Type	Projectile, Flash Bang
Caliber:	12 Gauge
Projectile	Flash Bang Device
Projectile Quantity	1
Projectile Weight	7.5 grams
Report	130 dB
Velocity	35 mps
Length Overall	62 mm
Shell Case	Clear Plastic / Brass
Overall Weight	14 grams
Maximum Range	90 meters
Launched With	12 Gauge Shotgun

### SHIPPING INFORMATION

Number	UN 0471
Shipping Name	Articles Explosive, N.O.S.
Hazard Class	1.4E
Quantity Per Package	200 Cartridges (in 25 round cartons)
Packaging	Fiberboard Box, 4G UN/DoT Approved

### WARNING
