12-MB-CS - 12 GAUGE MUZZLE BLAST CARTRIDGE - CS POWDER

DESCRIPTION

Our 12-MB-CS 12 Gauge Muzzle Blast Cartridge is designed for close range crowd dispersal. When fired a cloud of CS powder irritant agent is discharged out to approximately 4.5 meters. This round is also very effective in certain indoor applications.

Our 12 gauge rounds are loaded in high quality transparent shell casings to allow viewing of the shell contents. For best results they should be fired from standard improved cylinder bore 12 gauge barrels.
