MP-71-x - 400 METER SMOKE PROJECTILE (COLORED) - 40mm

DESCRIPTION

The MP-71-x series Color Smoke Projectiles can be used for signaling and training applications. This round is also effective for use as a distraction in tactical situations. These projectiles release a cloud of red, green or other colored smoke for around 35 seconds with a maximum range of up to 400 meters. The projectile has a 3-4 second time delay before ignition of the smoke composition to allow the projectile to travel to the target area before ignition.
