MP-8XLD-x - EXTENDED RANGE (230M) SMOKE PROJECTILE (COLORED) 37/38mm

DESCRIPTION

The MP-8XLD-x series Extended Range Smoke Projectiles are designed to launch a color smoke projectile to 230 meters range. A 3 second delay in the projectile times the color smoke generation to right before the projectile impacts the targeted area. Extended Range Colored Smoke Projectiles can be used for signaling, and training applications. This round is also effective for use as a distraction in tactical situations.
